EXECUTIVE SUMMARY

Accomplished 3D Visualizer and Senior Graphic Designer with over 16 years of expertise in high-end architectural visualization, retail display design, exhibition stalls, and brand identity execution. Track record of directing and producing high-visibility retail graphics for premier locations including Dubai International Airport. Highly adept at converting complex architectural concepts into photorealistic 3D renders, spatial animations, and print-ready production files using 3ds Max, Corona, V-Ray, AutoCAD, and Adobe Creative Suite.

WORK EXPERIENCE

EXECUTIVE DESIGNER - VMSD
OP3 Global LLC
Dec 2024 - Present
Dubai, UAE

- Collaborate closely with production and development teams to model and render architectural and retail structures.
- Lead end-to-end design execution for high-profile Dubai Airport activations, including gondolas, exhibition stalls, backlit promotional walls, and custom retail displays.
- Ensure structural feasibility, material accuracy, and lighting precision across all production graphics.

3D GRAPHICS DESIGNER
ABC Imaging FZ LLC
Sep 2015 - Aug 2023
Dubai, UAE

- Delivered 3D modeling, spatial rendering, and large-format graphics for commercial clients across the UAE.
- Managed client workflows and technical drawings for airport installations and exhibition branding elements.

ARCHITECTURAL 3D VISUALIZER
Architects Hafeez Contractor
Nov 2012 - Oct 2015
Mumbai, India

- Worked directly with chief architectural teams to plan, model, and visualize large-scale commercial and residential projects.
- Produced photorealistic exterior/interior renders and walkthrough animations for high-stakes client presentations.

COMPANY CO-FOUNDER & CREATIVE LEAD
V3 Media Private Limited
Sep 2009 - Oct 2012
Mumbai, India

- Spearheaded creative operations, guiding a team of graphic artists and visualizers while maintaining client satisfaction and business growth.

TEAM LEADER - 3D VISUALIZATION
Ratan J. Batliboi Architects
May 2007 - Oct 2009
Mumbai, India

- Guided visualization staff, delegating tasks and establishing quality control standards for 3D renderings and 2D floor plans.

3D ARCHITECTURAL VISUALIZER
Prozone Liberty International Pvt. Ltd.
2006 - 2007
Mumbai, India

- Developed 2D color floor plans, site hoardings, and initial 3D exterior concepts for retail infrastructure projects.
